### **GROWTH FOR CHARTERED ACCOUNTING FIRM, DMCA**

Progressive Chartered Accounting firm, dmca has expanded its partner team with the appointment of Tania Tonkin as Partner. Tania joins Ian Duncan and Angela Murphy in the ownership of the firm.

Tania joined dmca's Kingswood office in 2007, bringing more than 20 years' experience in accounting-related services. With extensive experience in tax planning, business planning, management reporting and self-managed superannuation, Tania is a significant addition to the partner team. Having recently completed a Diploma in Financial Services, Tania also looks forward to launching new wealth management and planning services for dmca clients.

Of her appointment as Partner, Tania said, "I have really valued my time at dmca. Working with such a strong team over the last two and a half years has been extremely rewarding so I'm genuinely delighted to have a greater stake in the future of the business."

Existing dmca Partner, Angela Murphy said, "Tania's appointment as Partner provides dmca with a greater opportunity to offer additional services to our clients, including wealth management. In taking the advice we give out to our clients, we're investing in our business and planning for the future. We're delighted that Tania is on board to help us in this."
